BOARD SECRETARY

We are writing to inform you that this year's Byron Sanitary District annual billing is being billed directly to you for payment. The annual sewer levy is typically billed as a line item on the Contra Costa County property tax bill. However, due to a mistake this year, the annual sewer levy was not included on your property tax bill for 2023-2024.

The attached invoice represents your annual sewer bill for services rendered by the Byron Sanitary District. Similar to your property tax bill, the annual sewer bill is payable in two installments due by:

(1) December 18, 2023

(2) February 19, 2024

Please ensure payment is paid in full by the deadline to avoid any late payment penalty.

Thank you for your patience and understanding.
If you have any questions, please feel free to contact me.

Very truly yours,

Edwin Pattison, General Manager
